# The Basics

JCPenney offers a variety of benefits that fit your life—and tools to help you choose. Here's everything you need to know about enrollment.

# Benefits Eligibility

Your eligibility is based on your employment status when hired, and then on an ongoing basis measured during the annual look-back period. Look for the below symbols throughout the guide to see the benefits you're eligible for.

## FULL-TIME ASSOCIATES

who work an average of 30 hours or more per week are eligible for all the health and welfare benefits listed in this guide.

## PART-TIME ASSOCIATES

who average less than 30 hours per week are eligible for the following benefits: dental, vision, Term Life Insurance, AD&D Insurance, Business Travel Accident Insurance, Critical Illness Insurance, Accident Insurance, Hospital Indemnity, Legal Service Plan, Associate Discount Program, JCPenney Perks and the 401(k) Safe Harbor Plan. You can view your current and projected benefits eligibility at any time by clicking the Benefits Eligibility tile on the JCPenney Benefits website homepage.

## New Hires

**If you are hired as a full-time associate,** you're eligible for the benefits available to full-time associates. You will remain eligible for full-time benefits for the remainder of the current and the following calendar year, even if your full-time status changes during that time.

**If you are hired as a part-time associate,** you're eligible for the benefits available to part-time associates. After your first 11 months of employment, your hours worked will be measured to determine if you will remain eligible for part-time benefits or if you are eligible for full-time benefits.

## Ongoing Associates

Eligibility for part-time or full-time benefits is determined each year during the annual look-back, which calculates average hours worked during a 52-week period that ends in September or October.

**If, during the annual look-back, you worked:**

**1,560+ hours**

(average 30 or more hours per week),  
you will be eligible for full-time benefits.

**<1,560 hours**

(average less than 30 hours per week),  
you will be eligible for part-time benefits.

If you are promoted to certain Company-recognized benefits-qualifying supervisor/manager positions, you will become eligible for full-time benefits on your promotion effective date. You can find a list of benefits-qualifying positions on the JCPenney Benefits website > Benefits Library > Health & Welfare Benefits.

## Dependents

You can cover the following dependents:

- Spouse, opposite and same sex domestic partner.
- Children, stepchildren and children of domestic partners under age 26.
- Incapacitated children of any age under certain plans.

## Verify Your Dependents

If you enroll dependents in the medical and/or dental plans, you are required to provide documents verifying their eligibility. The JCPenney Benefits Center will send you a dependent verification notice that outlines the steps you need to take to establish your dependents' eligibility for coverage. Coverage for your dependents is contingent on you successfully completing the process within the required timeframe. You may be required to reverify your dependents in future years.

# Enrolling

## When

Your enrollment period is based on your specific situation.

### NEWLY HIRED ASSOCIATES

You must enroll within your first 30 days of employment to have coverage for the remainder of the year.

### ONGOING ASSOCIATES

Annual Enrollment is October 11-31, 2023. **If you do not take action, your 2023 coverage will continue to 2024.**

### IF YOU'VE HAD A RECENT CHANGE IN YOUR BENEFITS ELIGIBILITY

You must enroll by the deadline listed on your JCPenney Benefits Center enrollment letter.

Note: You can enroll in or make changes to the 401(k) Safe Harbor Plan at any time.

## How

There are three ways you can enroll:

### AT WORK

Associate Kiosk > My Benefits > JCPenney Benefits

### AT HOME

[jcpassociates.com](https://jcpassociates.com) > Associate Kiosk@Home > My Benefits > JCPenney Benefits

### ON THE GO

Download the Alight Mobile app via this QR code, then enter JC Penney and log in

**If you have questions**, call the JCPenney Benefits Center at **1-888-890-8900**, Monday–Friday, 8 a.m.–8 p.m. Central time.

# Paying for Coverage

Some benefits are provided to you at no cost, while others are paid in part or in full by you.

If you elect medical, dental, vision or Hospital Indemnity coverage, your deductions are taken out of your pay on a before-tax basis, which lowers your taxable income. All other deductions to pay for benefits are taken on an after-tax basis.

## Annual Earnings for Benefits

Your annual earnings for benefits (AEB) is used to determine your medical premiums as well as benefits for Life Insurance, Long-Term Disability, AD&D Insurance and Business Travel Accident.

If you are a new hire, your AEB is calculated based on your current annualized base pay, rounded up to the next \$1,000. In following years, your AEB is the greater of:

**CURRENT ANNUALIZED PAY +  
BONUS PAID CALENDAR  
YEAR-TO-DATE**

**OR**

**GROSS WAGES FOR THE PRIOR  
CALENDAR YEAR ROUNDED  
UP TO THE NEXT \$1,000**

Earnings used to calculate AEB are obtained annually, a few weeks prior to Annual Enrollment.

# Making Changes

The benefits you elect during enrollment are in effect through Dec. 31, 2023, so choose your coverage carefully.

You can only make changes outside of enrollment if you have a qualified status change. Examples include:

**MARRIAGE**

**DIVORCE**

**BIRTH**

**ADOPTION**

**LOSS OF OTHER  
COVERAGE**

**A MOVE**

In most cases, you must make changes within 60 days of the event or wait until the next Annual Enrollment or qualified status change. Report changes to the JCPenney Benefits Center online or by phone.

Learn all about your 2024 benefit options so you can make the right choices for you and your family.

# Health

# Medical

JCPenney's medical plan, administered by Triple-S Salud, helps support your physical well-being.

## Primary Care Physician

You and your covered dependents must choose a primary care physician (PCP). You and your dependents may choose the same PCP or different PCPs. Your PCP will manage your healthcare and provide most of your routine medical care and some specialty care. If you need more complex or specialized treatment, your PCP will refer you to a specialist.

PCPs are usually internists, pediatricians, family doctors or general practitioners. Call Triple-S Salud at **1-787-774-6060** to request a list of providers.

# Time Off

# Vacation and Sick Time

Vacation and sick time benefits are governed by Puerto Rico law. The vacation and sick hours you may earn vary depending on your date of hire and hours worked. See your manager with any questions about these Puerto Rico-mandated benefits.

## Other Paid Time Off

JCPenney provides Other Paid Time Off (PTO) that can be used for vacation, personal or sick days. All salaried associates in Puerto Rico become eligible for PTO on their date of hire. PTO hours are available to use as soon as they are deposited into your PTO account.

### How It Works

If you are PTO-eligible on the last day of the fiscal year, you will receive monthly PTO hour deposits from Jan. 1 through Sept. 1.<sup>1</sup> The number of PTO hours that you receive depends on your months of service and your average hours worked each week.

If you become benefits eligible during the year, the PTO hours you receive depends on your average weekly hours and the month in which you become eligible. Consult the JCPenney Puerto Rico Time-Off policy on the JCPenney Benefits website > Benefits Library for more details.

### FOR EXAMPLE

If you have 24 months of benefits-eligible service and work an average of 33 hours per week, you will earn 2.2 PTO hours ( $.6 \times 33 = 21.6 / 9 = 2.2$ ), which will be deposited each month between the first day of the fiscal year and Oct. 1, as long as you are active on the first day of each month.<sup>1</sup>

<sup>1</sup> The first and last day of the fiscal year may change from year to year.

## Part-Time Time Off

If you have three or more years of service with JCPenney and are not eligible to receive Puerto Rico-mandated time off or JCPenney Other PTO benefits, you may receive part-time time off benefits. One average week's hours, as measured during the annual look-back period, will be deposited into your account on the first day of the fiscal year or Feb. 1 (whichever is later) to use anytime during the year.

## Leave of Absence
